DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

***Notice of Non-Responsive Amendment***

1. The reply filed April 20, 2004 is acknowledged and has been entered.
2. The reply filed on April 20, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In reply to the Office Action mailed October 21, 2003, Applicant elected Group XIX, claims 78-94. As set forth in the restriction requirement at page 6 (section 6), claim 78 is generic to a plurality of patentably disclosed species of invention. Accordingly, Applicants were required under 35 USC § 121 to elect a single disclosed species of invention but failed to do so. Therefore, the reply filed April 20, 2004 is not fully responsive to the Office action mailed October 21, 2003. See 37 CFR 1.111.

In replying to the Office communication, Applicant should elect a single species of the elected invention by selecting the type of cancer selected from the group consisting of bladder cancer, breast cancer, and prostate cancer to which the claims will be drawn during examination.

3. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen L. Rawlings, Ph.D. whose telephone number is (571) 272-0836. The examiner can normally be reached on Monday-Friday, 8:30AM-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey Siew can be reached on (571) 272-0787. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 1642

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
